

TRANSFORMER SERIES 0.6 VA

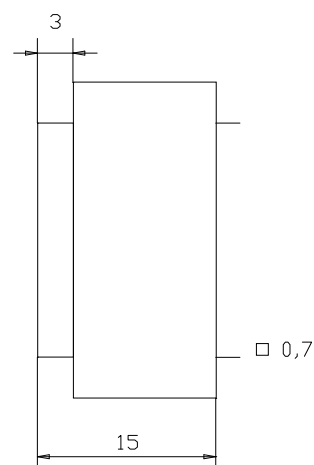

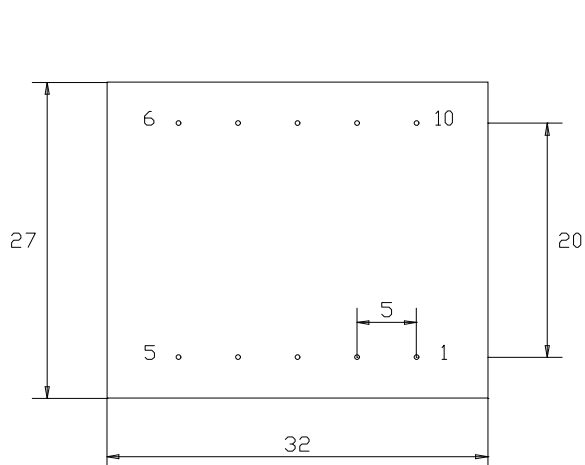

Transformer 50/60 Hz approval KEMA ENEC 05
 Approval KEMA on primary voltage 230 V n. licence 3502486.01
 Approval also with asymmetric secondary voltages
 Two chamber winding
 Class II IP00
 Insulation class Ta 70°B
 Short-circuit proof
 Potted under vacuum
 For according to the standard no series up 2x18 V

Standard voltages list, other voltages on request
 (for complete the code insert secondary voltage wanted)
